2015 Annual Report

The screenshot shows the homepage of the Almost Home Kids website. At the top left is the logo with the tagline "Share the Care". A navigation menu includes "About", "Services", "News", "Clinical", "Locations", "Contact", and "Give", followed by social media icons for Facebook, LinkedIn, Twitter, Instagram, and Pinterest. The main content area features a large photograph of a healthcare professional in a light blue uniform leaning over a hospital bed to care for a baby. A text box on the left of the photo explains transitional care and includes a "Learn More Here" link. Below the main image is a mission statement and a row of three smaller images showing children in various care settings.

The corner of Clark and North is easily accessible via public transportation. The CTA operates bus routes along North Avenue, Clark Street, LaSalle Boulevard and Stockton Drive within the park. Brown, Purple and Red line stations are a short walk and highway access to Lake Shore Drive or the Kennedy expressway is direct from North Avenue.

At Erikson Institute, we know what it means to place our children at the forefront. That's been our mission, and our passion, for nearly 50 years.

▲ We innovate to bring new ideas to the classroom and early learning environments, looking for new ways to close the achievement gap.

Erikson's impact within the Chicago Public Schools continues to grow, with our work now reaching **83 partner schools, 600 teachers and staff, and 11,300 students.**

▲ We are the country's premier graduate school in child development, uniquely preparing the next generation of leaders in the fields of child development, social work, and early childhood education.

▲ We provide direct service to our children and families at a time when they have questions and are most vulnerable, working to improve lives.

More than **7,000 families** benefit from direct service programs offered through Erikson, both within Chicago and beyond.

◀ We speak out with a sense of urgency, sharing insights on important issues such as technology in the early years and as a trusted voice on the early childhood experience, particularly when children and families are at risk.

▲ We create new knowledge around 'what we know,' sharing best practices and learning from others here and around the globe.

Erikson shares best practices and learns from our global partners. We are sharing and learning in places including China, Bulgaria, Chile, Brazil, New Zealand, and Israel.

Join us! If you'd like to hear more about the work we are doing at Erikson Institute to improve the lives of our children, please send an email to joinus@erikson.edu and we'll make sure you receive our news. The Schatz Companies

Our building in Chicago has a remarkable history—including the fact that László Moholy-Nagy was a tenant from 1939-1944. Liska worked closely with the property's owner, The Schatz Companies, to design a mural featuring an iconic image of Laszlo.

Erikson Institute

Erikson Institute works to improve children's lives through academic programs and community support. Liska developed marketing materials for Erikson's events, as well as a Strategic Plan that outlines the organization's vision.

Block Thirty Seven

Block Thirty Seven is a constantly evolving lifestyle hub in Chicago's Loop neighborhood. Liska updated the destination's print materials to highlight its most recent expansions, including a new residential tower and dine-in movie theater.

Tom Stringer Design Partners

A multi-disciplinary design firm, Tom Stringer creates interiors for a broad spectrum of high-end projects including luxury homes, hotels and restaurants. Liska develops advertising to communicate the firm's design essence and differentiate it from competitors.

Almost Home Kids

Liska designed a new website and annual report to illuminate this organization's exceptional work: helping medically fragile children transition from the hospital to home.

The Ritz-Carlton Chicago

Located on the Magnificent Mile, The Ritz-Carlton, Chicago defines the luxury hotel experience. Liska designed a meeting guide to communicate the hotel's amenities and floorplans to potential event planners.

Equity Commonwealth

Liska designed the 2014 annual report for Equity Commonwealth—one of the largest commercial real estate investment trusts in the US.

Georgia Tech's Center for Urban Innovation

Georgia Tech's CUI seeks to address urban issues through cross-sector conversation, research, innovation and problem-solving. Liska developed an overview brochure featuring CUI's programs, from transit technologies to research on immigrant labor.

CBOE Holdings, Inc.

Through a blend of technology and open outcry, CBOE consistently ranks as the number one exchange for options. As part of our ongoing relationship with CBOE, Liska designed the 2014 Annual Report.

Hines

CityCenterDC has become a thriving neighborhood in the heart of downtown Washington D.C. Liska continues to evolve the CCDC website from focusing solely on the original development to becoming a community resource centered around retail.

Chez Paree

The Chez Paree was one of the most sophisticated nightclubs in Chicago for the better part of three decades. Liska designed a website to share photographs, stories and other ephemera from this mid-century icon.

Illinois Tool Works

ITW manufactures specialized industrial equipment, consumables and related service businesses. Liska worked with ITW to design a variety of large-scale graphics for their new corporate headquarters that showcases their brand, history and products.

The Pritzker Architecture Prize

Continuing work for the most prestigious international prize in architecture.

101 North

101 North is a luxurious boutique condominium building under development in one of Chicago's most coveted residential neighborhoods. Liska designed a variety of branded materials to introduce the building, including a website, brochure, signage and advertising.

12 Benefits Group

Liska continues to create packaging, advertising and marketing materials for the hair-care company's ever-expanding line of innovative salon products.
